## Holiday Inn Darlington North A1M Junction 59

We have revolutionised the hotel lobby!  
It's no longer just a place for arrivals and departures. It's now a flexible environment where you can eat, drink, work, meet, relax, socialise and have fun. Welcome to Holiday Inns's open lobby concept.

The working day can be hectic, unscheduled meetings, late running and crazy meal times. Now you can eat what you like, when you like, where you like.

Unlike other hotels, there are no designated meal times. You can order something from the new all day dining menu that's been put together by our talented Chefs.

If you want more flexibility, you can grab something from the To Go Cafe and either eat in, eat out or enjoy it in your room.

Snacks are available 24/7 if it's going to be a late one, or you can drink in the atmosphere over a glass or two with friends and colleagues. It's all part of the Holiday Inn open lobby concept. Just follow the buzz.

A space where you can really wind down and kick off your shoes - literally, if that's what it takes.  
Enjoy free Wi-Fi so you can catch up on emails, keep up-to date with the latest news online or talk to their family and friends at home. If you're in a more playful mood, there's table football, and a wide choice of board games.

What's more, Starbucks coffee served 7 days a week, 24 hours a day. Enjoy your favourite cup of coffee just the way you like it!  
A perfect place for caffeine lovers & Starbucks worshippers!
